S.P.A. SEEKING OFFICERS

The Schreiner Parents Association is seeking nominations for the following 2014-15 officer positions: President, Vice President, Secretary and Treasurer. Officers will serve for two years and will take office upon election. Self-nominations are accepted and encouraged. Nominations should include a brief statement and bio from the candidate. The deadline for nominations is September 18th. These positions offer the opportunity to actively participate in and lead the S.P.A. The major tasks for this leadership team will be to establish goals for the association and seek ways to improve the parent experience for all Schreiner parents.

Letter from the Dean

Congratulations! As you read these words, you are reading the first of many Paw Prints Newsletters from the Schreiner Parents Association. During your time as a member of this association, you will be asked to contribute as an equal partner in your son or daughter’s educational experience. As a parent you play a very important role in our educational process. Schreiner is committed to its students. In fact, they will never experience another time during their lives when there are as many people focused on their success! We are truly committed to helping prepare students for meaningful work and purposeful lives in a changing global society.

Being a caring and committed community does not mean we deny the serious challenges facing young people today. Schreiner students will not be immune to larger societal problems. Newly found independence and wanting to “try out” new behaviors means students, especially first-year students, may be at a heightened level of risk; this is especially true in the first six weeks of their academic career. In this time students will develop habits that can help or make difficult their path toward graduation. Time management and the ability to prioritize tasks can be the most difficult hurdles for many students to overcome. Please encourage your student(s) to take advantage of all we have here to aid in them on their journey. Our faculty and staff are dedicated, capable and caring individuals. If throughout the year you need anything please do not hesitate to let me know.

Dr. Charles M. Hueber
Dean of Students

ASK MONTY

ASK MONTY is a program through the Dean of Students Office where students and/or parents can get any question they may have answered. The program is in place to ensure that every question gets an answer in a timely fashion by a qualified individual.

Students and parents can also voice their complaints, concerns, or even compliments about Schreiner. College students cannot reach their potentials if they have questions and don’t know where to go for assistance. Email any questions to: dos@schreiner.edu

For more information please visit http://students.schreiner.edu/ask-monty/
