Dear Schreiner Parents:

We here on campus hope that you are hearing good things from your son or daughter about the fall semester. Come to think of it, we hope that you are hearing from them period! However, if it seems like they are fully engaged in what is happening on campus, that’s a good thing.

Intercollegiate soccer, tennis, volleyball and cross country are in full swing. Our first Coffee House last week brought music to a full house, and our Texas Heritage Music Festival day will bring much more in a couple of weeks. Our theatre program’s first offering,
"The Glass Menagerie," will be staged that same weekend. On Tuesday, September 11, I had the honor of participating in a National Day of Service and Remembrance event that spoke well to the character of Schreiner students. And then there is Family Weekend coming up October 19-21. Meanwhile, classes, labs and study are forming the core of all activities.

We hope you can join us next month.

Best,

President Tim Summerlin

Health and Wellness
Health and Wellness will be offering flu shots at a reduced price that can be billed to their student account. Please encourage your student to get their shot early to avoid getting sick and missing classes.

There is a Diabetic Discussion Group - **Sweet Talk** - that is open to those who are diabetic, pre-diabetic, or know of a friend of family member with diabetes. This is a monthly meeting for students to learn more and ask questions.
**Free** tobacco cessation is offered through Health and Wellness for those who might be struggling with this addiction.

**Progress Grades at Four-week and Mid-point**

At four-week and mid-term, students will be able to view Progress Grades by going into Schreiner One, selecting Grade Report, then selecting Progress Grade Report. This will allow them to see GPA based work on completed up to the four-week and mid-point of the semester. There are "snapshot" grades that do not change except when grades are reported at the four-week and mid-point of the semester.
