IMPORTANT NOTICE
MANDATORY HEALTH INSURANCE REQUIREMENT

All residential, international and vocational nursing students must enroll or waive out of the school insurance policy. If they do not waive out, they will be charged for school insurance next semester.

Please have your student take a few minutes to enroll in school insurance, or to waive out if they or you have private insurance that covers them. Click on the link www.ahpcare.com/schreiner

The cost for August 1, 2012 - June 14, 2013 is $864 and it will be added to your student account by the business office in September.

Providing proof of insurance to athletics does not fulfill the requirement of completing the online waiver process. If you have any questions see attachment please don’t hesitate to contact our office.
